August 23<sup>rd</sup> - Ms. Edna celebrates 6 years at TLK

August 24<sup>th</sup> - Ms. Taylor celebrates 1 year at TLK

August 30<sup>th</sup> - Ms. Ashley Barnes celebrates 6 years at TLK

### Reflection

We have been very busy this past month! The classrooms have been enjoying their water days, running through the sprinklers, and going down the BIG water slide. Thank you for checking your classroom door to see what is going on in your child's class and what items they need. This makes it much easier for the teachers.

Thank you for all of those who helped with the "Happy Birthday America" parties! The children had a wonderful time with their red, white, and blue treats, learning the Pledge of Allegiance, and The Star Spangled Banner. We also heard all about the fireworks that the children went to go see that night!

The Summer Camp activities were all a blast! They loved making their own pottery, playing at the Hullabaloo Fun Center, cheering on the Blue Rocks, and cooling off at Killens Pond.

### Reminders

We would like to remind you that we are approaching the end of our summer program. Our last day of summer camp for school age children and pre-k children will be **Friday, August 27<sup>th</sup>**. With that being said, please be sure to take home any belongings if your child will not be here through the school year. We will certainly miss those of you who are leaving until next summer!

Please keep in mind that we do try to encourage our parents to drop off before 9:00am. Our reason for this request is because the children are beginning their day at that point and getting into group time. It makes the morning run much more smoothly when the children are there to be greeted by the teachers and start their day off together. We understand that this may not always be possible, but we appreciate your effort.

### Amazing August

Our last month of summer is already here! We would like to let you know some of the important dates to mark on your calendars. The last day of Summer Camp is **Friday, August 27<sup>th</sup>**. We will be having our Back to School Night on **Tuesday, August 24<sup>th</sup>** from 6:30-7:30pm. This is a meet and greet night for the children and parents to see their new classroom and teachers. The new classroom lists will be posted the morning of Back to School Night. We will have an Open House Night in the fall in which the teachers will be discussing the curriculum in depth with parents only.

The beginning of the school year will be **Monday, August 30<sup>th</sup>**. Your child will begin in their new classroom on this date. There are some children who transitioned during the school year who will remain in their current classroom. We are looking forward to an exciting year filled with amazing learning experiences.
