ALL SCHOOLS – 4/2/18-4/6/18

*don't forget to sign your child up for extended care days so we can plan for appropriate staffing! Thank you!

Spotlight Classroom – Room 3

Ms. Erin and Ms. Dominique

Room 3 is excited to welcome Spring! They have been working hard on learning about buildings and are about to start their new study of balls. They recently had an Easter egg hunt with their families and had a great time! This month, Room 3 will be focusing on painting with Easter eggs, sorting by color, scissor skills and counting. Keep up the great work Room 3!
