Teacher of the Month

Congratulations to Ms. Emily! Ms. Emily has been in Room 18 and is now switching to Room 16 to work with the infants! She is always kind and gentle with the children and is always willing to help others! Keep up the great work Ms. Emily!

Spotlight Classroom

This month's spotlight classroom is Room 16. The teacher in that room, Ms. Emily, is our March Teacher of the Month! Room 16 is currently working on their large motor skills – lots of tummy time, sitting up in a boppy and learning how to sit independently! They will be doing some art projects related to spring, St. Patrick's Day, and Easter! Keep up the great work Room 16!
